## Exterior and Interior Emulsion Paints

### Terraco Terrashield

**TERRASHIELD** is a high-quality, highly washable, weather-resistant acrylic paint, suitable for use on exterior and interior surfaces of concrete, plywood, anti-rust primed steel and more.

### Terraco Terralux

**TERRALUX** is a premium quality, highly washable, acrylic bound, matt emulsion with high opacity suitable for use on most interior and exterior building surfaces. A top of the line paint.

### Terraco Terratop Silk

**TERRATOP SILK** is a high quality, highly washable, interior/exterior grade, vinyl emulsion silk paint with a luxurious satin finish for use on most building surfaces.

The above represents a limited selection of the more popular colours available - contact Terraco if you cannot find your preference.

### Terraco Terragene

**TERRAGENE** is a high quality, anti-fungal, weather resistant, highly washable, acrylic paint suitable for use on most exterior and interior building surfaces. Excellent for use in humid areas prone to fungal growth.

### Terraco Flexishield

**FLEXISHIELD** is a mid-sheen, elastomeric, high performance, anti-carbonation coating with excellent weathering properties, flexibility and dirt pick-up resistance.

Products may be application specific - please consult Technical Datasheets prior to application. Datasheets are available on [www.terrace.com](http://www.terrace.com) or from your Terraco representative.

Although every precaution has been taken to ensure the accuracy of the colours represented herein - due to printing processes they should be considered indicative.

Terraco's range of high quality paints are used by discerning home owners, applicators and contractors across the globe. Drawing on extensive experience from varied and demanding environments as well as our dedicated Technical Centre in Ireland. Terraco uses carefully selected and prepared raw materials and the finest pigments to produce paints which are perfect for your requirements. Terraco paints are made to last and are available in a broad range of colours.
