

OVERVIEW

Stucco Vintage Venezia is an acrylic based interior decorative coating for walls for use on most interior surfaces. Stucco Vintage Venezia achieves the appearance of natural cast concrete. Stucco Vintage Venezia can be applied to produce both traditional and modern effects by adjusting the application methods. The product is designed for interior application.

PROPERTIES

Stucco Vintage Venezia is a blend of unique and precisely fillers and binding materials to provide the following enhanced properties:

- Concrete effects
- Various attractive patterns
- Low odor
- Non-toxic
- Environment friendly

AREA OF USE

Stucco Vintage Venezia can be used on most interior surfaces. Ideal for use in areas such as restaurants, commercial space, museums, condominiums and villas.

PREPARATION OF SURFACE

New surfaces: Ensure that all dust, dirt and foreign matter are scraped and brushed away. Also ensure the surfaces are free from salts, oil, grease and ridges. Protect all adjacent surfaces not to be covered. All cracks, chips, voids and damages should be repaired with Terraco putties.

Old surfaces: Before applying to old surfaces, ensure the substrate is firm. First wash down the surface with a sugar soap solution, rinse and allow to dry before repairing or applying the primer.

APPLICATION & CLEANING OF TOOLS

Apply a first coat in a thin layer by trowel and allow to dry. Apply a second heavier coat by trowel. Apply a mist coat of water when the coating is semi-dry. Finally, use a trowel to achieve the desired finish.

Clean tools and equipment with water after use.

HEALTH & SAFETY

Avoid prolonged contact with eyes and skin. For detailed information refer to relevant material safety data sheet.

PACKAGING AND STORAGE

Stucco Vintage Venezia is supplied in 25kg plastic drum.

Store containers in a clean dry area protected from direct sunlight and extreme heat and cold. Unopened containers can be stored for 12 months. Use oldest material first.

TERRACO offers a comprehensive range of products and services for most concrete and finishing needs. Please contact the TERRACO Technical Service Department or your local TERRACO agent for further information, samples, demonstrations and instructor services. The information given in this leaflet is based upon laboratory research, as well as extensive field work and application. All products are sold subject to standard conditions of sale which are available on request. This information is based on TERRACO's present state of knowledge and is intended to provide general information on TERRACO's products and their methods of use. The prospective user is recommended to determine the suitability of TERRACO's suggestions and products before adopting them on a commercial scale.

TECHNICAL DATA

Product	Ready mixed interior decorative finishcoat
Binders	Acrylic
Fillers	Precisely graded functional fillers.
Dilution	With water if required within 2%
Colour	Two standard colours
Toxicity	Non-toxic.
Specific Gravity	1.70±0.05
Drying Time	24 hours(Temp' 22-25°C, Humidity 50-60%)
Wet Solid Content(%)	74±1
Material Consumption	2.0-3.0kg/m ²
Packaging	25kg plastic drums.
Storage	12 months in original unopened containers.
